The fabric used to make this range of bags is made from recycled plastic bottles. By using this product you have kept 3 x 330ml plastic bottles out of landfill and reduced the consumption of natural resources.

## Seed Sticks

Promote yourself and improve your image by giving a gift to help regrow our damaged environment. These Seed Sticks come in a pack of 5 or 10 - now also available manufactured from recycled card. There is a wide variety of Australian native seeds to select from as well and herbs and veges.

## Recycled Writing Pads

Made from 100% recycled paper. Variety of sizes and leaves available, please ask for a quote for your requirements.

## Recycled Plastic Rulers

Please note that the colour cannot be guaranteed

## Pens - made from corn starch!

Ecology Pen

Eco Stick

Special design Biodegradable pens made from Mater-Bi material, a revolutionary biodegradable material created from corn starch. This naturally occurring product can be used as an alternative to normal plastic material. Mater-Bi leaves no toxic residue, it returns to the Earth without affecting the ecosystem.

## Recycled Plastic Flyers

Great for kids or outdoor events. Please note that the colour cannot be guaranteed
